Dear Vijay,

I hope you are doing well.

I would like to sincerely thank you for all your support in handling the IBM BOD movement.

Your efforts in ensuring timely reporting of vehicles, drivers briefing and being my eyes and ears on ground when I was away to handle other things on ground were much appreciated.

You have played a key role in ensuring transportation services were smooth.

Thanks to your entire team, in corporation with IBM stringent policies, inspections and in ensuring the service was seamless, our guests had a truly memorable experience.

Thank you again for your commitment and attention to detail in making this event a success.

Best Regards,
Hitesh
